Dear Harry-

Helen wants me to write thee, that the cook Jeanette has given her notice that she leaves next Friday so she wants thee to go to Miss Parry and try for another, she thinks thee could get some one by Friday - and Jeanette can go up in the afternoon train - also she wishes thee to pay Dr. Wilton the fifty dollars before he leaves for Placid.

Jeanette's wages will be \$45 - from the 1st of May

and thou had better bring  
that down with thee -  
The baby has gained an  
ounce since yesterday -

Do not bring any one  
before Tuesday, when her  
week is up - I am  
anxious to get this in the  
noon mail so hasten  
it off.      affectionately  
Mother

Collins
